

The Worst Conversation Ever ***or Jordan Tries Really Hard to be Polite and Fails Miserably***

The names have been changed to protect the stupid. The rest is the complete conversation from start to finish, without my commentary. It is completely unedited (except to remove the name of the dating site this came from). Enjoy.

Look, I've tried being nice, but I've just about lost my patience. I'm really not interested at all. You embody everything that I dislike about humanity: shallowness, apathy and ignorance and you don't even have the courtesy to use proper spelling, punctuation or grammar.

If this is what [name of online dating site redacted] has to offer me, I'd honestly rather be alone.
